every day I go to school
and I am very happy
to see my friends and
teachers.

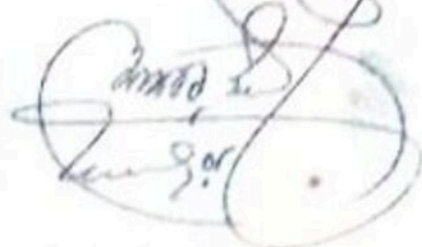

Q: What is the purpose of the study?

— I like to see
— thinking & might be
— more for you to see
— things, not really in the way of work

1. The first part of the paper is a review of the literature on the topic. It discusses the various methods used to study the effects of stress on the immune system, and the results of these studies.
